THE DEPUTY DIRECTOR OF CENTRAL INTELLIGENCE

7 July 1976

Ronald J. Greene, Esq.
Wilmer, Cutler & Pickering
1666 K Street, N. W.
Washington, D. C. 20006

Dear Ron:

Thank you so much for your letter concerning my appointment as Deputy Director. We have been through a lot in this great Agency over the last 18 months; we have new guidelines which cover our activities; and we now face the future. Problems will continue, but I am sure they will be matched by an equal number of opportunities also.

You deserve a great deal of tribute — you and your colleagues on the Commission Staff — for all you did to put a spotlight on those things in need of correction and in certifying those activities in need of continuation.

I enjoyed our association and look forward to getting together with you from time to time to bring that association up to date and keep it going.

All the best.

Faithfully yours,

E. H. Knoche
